

Keeping you safe

Interludes at Willinga Park maintains the very highest levels of customer service, hygiene standards and procedures where its guests' experience remains the top priority. We have introduced a number of measures to ensure the health and safety of our guests, staff and wider community, including:

- Encouraging use of the Australian Government Covid-19 app.
- Hand sanitisers are provided within each room.
- Increased public health messaging, encouraging everyone to maintain good hygiene practices and adhere to 1.5m social distancing measures.
- Stringent cleaning procedures of all touchpoints throughout common areas and within each room.
- Allowing a 24-hour gap between each booking to ensure stringent cleaning procedures are implemented.

During your stay we ask that you adhere to the NSW Government's regulations, taking responsibility of your personal hygiene and staying physically distant, keeping 1.5m apart.
