

# *Extenuating Circumstances Policy*

While travel restrictions in New South Wales ease as of 1 June, we understand that this is still a turbulent time for travellers. So to help ease you back into the swing of travelling, we are offering a flexible cancellation policy for bookings that check-in during our 2020 Low Season (May, June, July or August).

During this uncertain time the safety of you and our staff is our main focus, so if you are feeling unwell in the lead up to your stay, please give Hanna a call on 02 4457 2059, and we can discuss options for your booking.
